For Sale

Four gently used large Pony Hops. They are clean and in good working order. \$100 each or all 4 for \$ 350. Buyer must pick up in the St. Louis metro area or arrange for shipping at additional expense.

On Amazon, Pony Hops sell for \$150.00 each if 4 or more are purchased together.

Pony Hops can be inflated with a standard air compressor or a camping mattress style air pump. If someone purchases all 4 of my Pony Hops, I'll throw in a camping mattress style pump and plastic storage trunk for free.

The Pony Hops measure 47" high ground to the top of the pony's head, 22" wide and 22" high at the seat. The seat length is about 24", and the overall length is 54". The manufacturer sets a weight limit of 750 lbs., which provides a lot of bounce for tweens or teenagers or riding individually.

The Pony Hop's head is made of tough 10 ounce vinyl and the barrel is constructed of a rubber inner tube covered with a durable 420 nylon denier outer sleeve.

Pony Hops are great for family friendly festivals, reunions, youth group activities. I've used them in structured events such as races, bumper car meets barrel racing,
